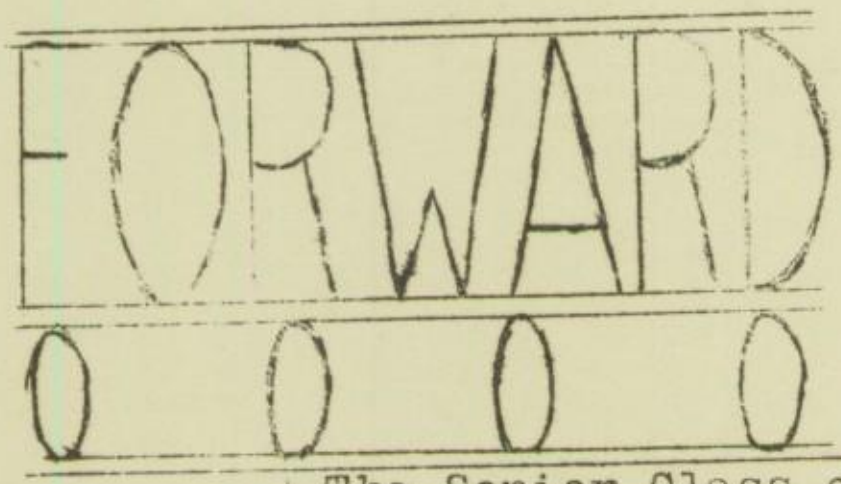
To Our

MOTHERS and FATHERS

WHO WILLINGLY SACRIFICED
SO MUCH IN OUR BEHALF...



The Senior Class of nineteen hundred and thirty-nine presents this edition of the "ELLHICO" with the sincere hope that it adequately reviews life in our Alma Mater.

We trust the "ELLHICO" will retain and rekindle thoughts of four memorable years.

When we have gone out from school our interests will change and we will concern ourselves with grave duties. Then will this volume become priceless and a few minutes with it will renew old friendships and experiences.

It is our wish that this "ELLHICO" will be a source of pleasure to all who are associated with it.

History of '39

In the year 1927 a group of youngsters entered the threshold of knowledge with brilliant and intelligent faces. The girls wore short dresses and had pigtails, ribbons, and locks of curly hair. The boys wore short pants and buster brown collars. Throughout the years the change has been slight. The girls still wear short dresses and have ribbons and curls galore in their hair, but the boys have traded the short pants for long ones. Who said that woman changes her mind more easily than a man? As for brilliant and intelligent faces, these qualities have remained exactly in that place therefore no change has been brought about there.

Throughout the years the class showed signs of becoming a group of geniuses, but they studied too hard for their own good causing them to "swing" to the other extreme.

In 1934 this same class came to cross roads and having chosen the road to the right. (They hoped it was the right road) During their high school reign many social gatherings were held which resulted in both a social and financial success.

Now, 1939 In the Year of Our Lord, will always be remembered by this sentimental class who will leave the past be bygones and think of the future. Upon graduation in June another cross roads will be faced by them and a decision which will affect their entire future must be made at that time.

History will not terminate at this particular point..(so say the egotistical seniors). The past and present will be written in history on account of wars and economical status of the countries buttthe future will go down in history as a Utopia because a small group of thirty-four people (seniors of '39) who were influential and made a complete sane change in this world which we sometimes call "crazy".

HALL OF FAME

Although our school lacks a Hall
of Fame
I'm sure if we had, you would find
many names.
For we have pupils who rank high
in scholastics
While others excel all the time in
gymnastics.
And having a Hall for such
recognitions
Would stimulate the other pupils'
ambitions.

HISTORY OF THE JUNIOR CLASS

In the year 1936 we found ourselves Freshmen of the Ellsworth High School. We were not important, but tried hard to readjust ourselves to a new life. In the next year the name of Sophisticated Sophmores was bestowed upnn us, and we began to feel more at home. This year, our Junior year, has found us more mature and serious. We elected Junior Class Officers, they are:President..William Sheka

Vice President..Willa Lovett

Secretary.....Ann Matela

We also got rings this year which signified one more year to become the "dignified Senior" of tomorrow" a name we hope to earn.

HISTORY OF THE SOPHOMORE CLASS

After being knocked around as "ignorant freshmen" for a year, we finally reached the second lap of our high school career. During our Freshmen year organization and cooperation were unknown to us, although we did succeed in getting together long enough to go on a Weiner Roast.

Our Sophomore year was more orderly and we elected class officers. In October we held a Hallowe'en Dance which was slightly profitable. In April our athletic boys played the Freshies a game of Mushball and beat them 17-15. We do have something to brag about after all.

So with our knowledge, over-worked brains, and ambitions, we move on into the third and next to the last lap of our search for knowledge.

Football

The Ellsworth Football team, led by captain James Gauriloff and four other lettermen, enjoyed a fair season despite the shortage of equipment and the great number of injuries. Coach Holland did a good job of coaching and taught the meaning of true sportsmanship.

The first test for the team was against the alumni. The game was played in three inches of mud and a downpour of rain. After several scoring threats the game ended in a scoreless tie.

The local gridders invaded California only to be turned back 26-2. The home boys threatened several times but to no avail.

The Cokers lost their first home encounter to Jefferson High 25-0. The outstanding feature of the game was the smooth playing of the victors.

With the running attack functioning smoothly the Ellsworth team enjoyed their first victory of the season by smashing a 19-0 victory over West Bethlehem.

Overpowered in every way the homers lost to the East Beth eleven by a score of 25-0.

With a spirit not to be denied the home team outpassed and outran the Belle Vernons only to honor a 0-0 tie.

In the main event of the year, the Bentleyville Bears beat the Ellsworth Cokers 34-0 despite the power shown by the latter. The statistics sheet shows that the encounter was more evenly contested than the score indicates.

Displaying the best form, the home boys played smart, hard football throughout the next game, only to be beaten 19-0 by East Pike Run.

In the final game of the season, Centerville took full advantage of their superior weight and power for they overpowered our gridders to a 46-6 setback.

Basketball

The Ellsworth High School basketball team coached by John Adamson enjoyed a fair season this current year, winning six and loosing twelve in a stiff schedule including several class "A" schools. The team was handicapped by the lack of experience for there was no team the previous year because there were no playing facilities. In the opener the home town boys played satisfactorily but dropped a decision to a rangy East Washington team by the score of 21-12.

Having lost the initial tilt the Cokers took Belle Vernon as their victim and copped their first win by the score of 47-20. The Ellsworth Quintet won their next encounter from Beallsville, the score being 31-20.

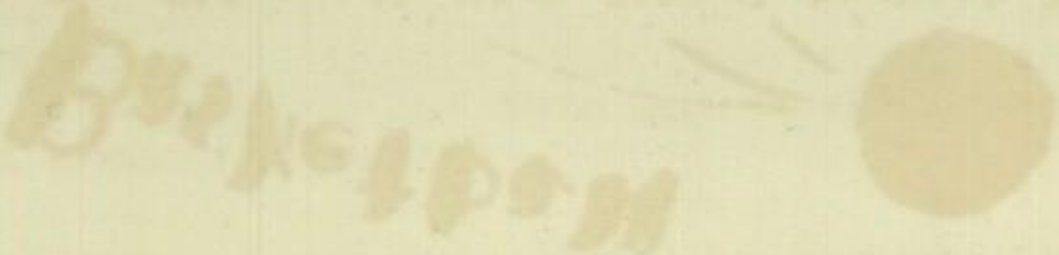
The locals invaded Bentleyville for the first sectional tilt but were subdued by the score 54-22. The Cokers defeated the East Bethlehem team in a thrilling last minute victory, which had the crowd on its feet. The score was 37-36. In the next encounter, the Ellsworth Quintet lost, a one-sided game to a strong Redstone team by a score of 54-19. East Pike Run lost to the locals in a fast game by a margin of 22-19. The Cokers were easily subdued by North Belle Vernon, the score being 49-19.

Ellsworth played German Township for the first game on its new elaborate gymnasium. The game was a see-saw affair with German coming out as the winner by 23-18. Ellsworth High upset a favorite Centerville team in a nip and tuck battle, winning by a 31-27 score. The locals went up against Bentleyville in their next game and lost in the final moments. This game was mostly a game of skillful guarding as the score indicates. It was 19-14.

East Bethlehem came to Ellsworth and sought revenge for their previous setback. They won by a score of 40-28.

The Redstone section leaders were held to a 39-24 count by the locals in a fast game which showed careful guarding and accurate shooting.

Ellsworth received another set back at the hands of East Pike Run in a final minute victory, the score being 29-25. Following this Ellsworth was defeated by a score of 59-29 in a high-scoring game



by German Township.

A fast action game was played between the Centerville quintet and the locals in which flashing defensive and offensive tactics were shown. Centerville immerged the winner by a 37-32 score. To wind up the season, the Cokers conquered Belle Vernon by 42-24.

JUNIOR VARSITY

The Ellsworth Junior Varsity coached by Merlyn Beck and captained by Bill Evans had a fair season. They lost 13 and won 6 games. During the first half, they were among the sectional leaders but at the beginning of the second half they faltered, for they were handicapped by the loss of four players due to ineligibility in grades However we were able to complete the schedule in fine form.

Members of the team were:

Evans	Snyder	Sirko
Sedlak	Babo	Mitchell
Sara	Gauriloff	Stechley
Pushkarich	Sankus	Lipscomb

GIRLS BASKETBALL

This year has been the first one for our Girls' Basketball team. It was a very successful one.

The team consisted of twelve girls from the Sophomre, Junior and Senior classes. They were victorious over other schools but were defeated by a team composed of members of the faculty.

Mr. John Adamson was coach of the Girls' team.

ACTIVITIES

DEBATE CLUB

The question for debate was: resolved: that the United States should adopt an alliance with Great Britain.

The affirmative team was: Thomas Lloyd, first speaker, and Arco DiNardo, second speaker. On the neagative were: Jerome Saxe, first speaker, and Roscoe De Busk, second speaker. Other memberswere Helen Rodgers, Dorothy Frederick and Ann Bazar

The team had a successful season in interscholastic competition with the teams in this district which is the best in the state. Each team debated about 25 times.

Mr. Richard Kline was the coach.

The team participated in debate tournaments at Munhall, Charleroi, Monessen, Bentleyville, Cumberland Township, Centerville, and at home.

All of the members of the team are Seniors therefore the future does not loom bright.

The Ellsworth debating team placed fifth in the County Tournament.

PHYS-CHEM CLUB

The Phys-Chem Club under the supervision of Mr. Antonio consisted of Physics and Chemistry students as in the previous years. The main event of the club was a science play given in Assembly. Unable to obtain a one-act science play, Mr. Antonio wrote one in a very short time which was excellent in its theme. The play namely, "The Spirit of Science", depicted the progress of science from Archimedes' time to the present. Although it pertained strictly to science, everyone enjoyed it as much as they would a farcical comedy.

DRAMATIC CLUB

GIRLS GLEE CLUB

PHYS-CHEM CLUB

ART CLUB

The Art Club was organized this year by Miss Smith and holds bi-weekly meetings. The objective this year was to teach the members the principal of mixing paints and colors. During the meetings each member did individual work consisting of carving, block printing, mask molding, painting and printing of pictures, posters and school announcements.

The Girl's Glee Club was organised eight years ago and is the oldest club of the school. It has steadily increased in size but in the second semester this year it was limited to 35 girls.

. Miss Eloise Bates directs the Girl's Glee Club. The officers for the present year are:

President..Helen Ritchen

Treasurer..Pearl Gauriloff

DRAMATIC CLUB

The dramatic Club is the newest organization in the Ellsworth High School. It was started in the past year under the supervision of Mr. Wardrop. The club has been very active...the first play produced was "His First Shave", a short comedy presented in one act. Since that production the club has shown considerable improvement especially after the splendid performance of the comedy "Spring Fever". Members of this cast included Sophomores, Juniors, and Seniors.
